experience, M.sc, B.ed**

**Aksha, Logical Reasoning, 5+yrs
experience, B.E**

OUR TESTIMONIALS

"I feel ELA JEN classes are more useful to do well in competitive exams. It gives us more clear ideas and lot of practice questions. Concepts are dealt in a very detailed manner with lots of examples. It helps us to crack competitive exams easily and helps us to score good. ELA JEN books have many extra concepts and content which are useful to us in understanding concepts better. So, I prefer ELA JEN books for more clarity." - S.Raji

"In my opinion, ELA JEN is the best option of someone has to clear JEE/NEET Or any other competitive exam. The concept taught are very clear and perfectly logical. someone who can understand the concept taught by ELA JEN, NCERT would be a piece of cake. One could easily top boards as well as clear any competition exam by the help of ELA JEN. I am glad opted for ELA JEN. "

- Himansuchoudhary

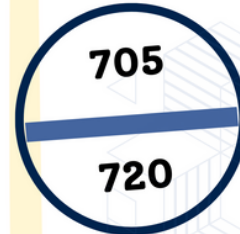

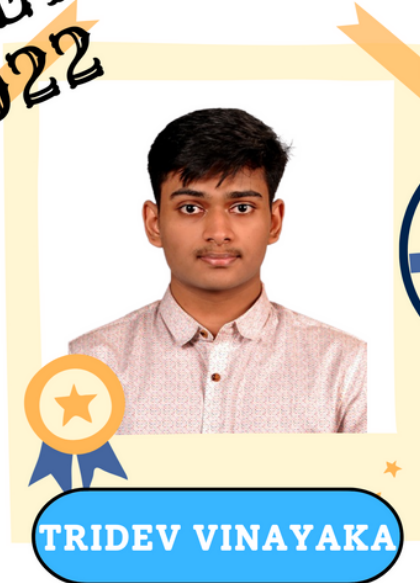

"ELA JEN classes are more useful. I am even able to understand the NCERT concept better as I am attending ELA JEN classes. Because of ELA JEN classes I score more marks in exams. We learn shortcuts to solve questions quickly. These classes were really useful during the pandemic. All the teachers are really supporting and they help us a lot. These classes are really useful for my future." - Janani
